

Business Intelligence Analyst (Strategy & Corporate Development)

We are looking for an enthusiastic individual who can join our Strategic Intelligence team within the Strategy & Corporate Development department. The intention is to cover the vacancy primarily in Amsterdam, but other Atradius locations will also be considered.

Who we are

The Strategy & Corporate Development (SCD) department supports the Management Board directly through market and portfolio insights, strategic initiatives, and product and service design. The Strategic Intelligence (SI) team within SCD is responsible for providing analytical insights as part of our strategy formulation and implementation. You will work within the SI Analysis sub-team.

Responsibilities

- Analyse and interpret team reports to provide context and insights on key commercial subjects
- Develop and maintain reporting concepts to keep them relevant and representative
- Liaise with our data science sub-team, updating and improving the data produced
- Build and foster relationships within the commercial community
- Gain knowledge of the different challenges faced across our global presence
- Present findings to key stakeholders

Your qualifications and experience

- University degree or equivalent
- Experience of a customer facing role within commercial is strongly desirable, as is a working knowledge of commercial processes
- An understanding of the CI pricing model is a plus
- A strong communicator with robust analysis and problem-solving skills
- Fluent in English, another language useful
- A good working knowledge of the Microsoft Office suite, particularly Excel and Powerpoint

Your Attitude

- Are motivated to work in a dynamic and international environment
- You are reliable, a team player who is also able to work independently
- Have an inquisitive mindset, whilst able to handle multiple tasks and deadlines
- Be committed to finding better ways to do things
- Have an interest in commercial markets and a willingness to learn more
- Have solid organisation and communication skills.

What we offer

- A supportive international team (30+ colleagues with 8 different nationalities spread over 7 European cities)
- Exposure to insights into Atradius global markets
- A dynamic and supportive team environment
- Training and professional development opportunities.
- Attractive conditions, including competitive salary, pension package and a range of flexible benefits and rewards.

Equal opportunities for all

The success of our organisation stands with the quality of our people and the ideas they have. Insights and innovative solutions for our customers are the result of an interplay of cultures, knowledge and experience. That is why diversity is extremely important to Atradius. To ensure that all colleagues within Atradius can develop their qualities, we promote an inclusive culture in which everyone feels involved and valued. We encourage and welcome everyone to apply to our positions.

Atradius

Atradius provides trade credit insurance, surety and collections services worldwide through a strategic presence in 50+ countries. Its credit insurance, bonding and collections products help protect companies throughout the world from payment risks associated with selling products and services on trade credit.
